Portfolio Contracting Inc. is a fully bonded and insured general contractor specializing in: Commercial, Industrial and Institutional interior renovations, new builds, nationwide rollouts and property facility maintenance.

Our team encompasses over 50 years of combined experience in the construction industry. We are dedicated to providing excellent workmanship, commitment to design concepts and meticulous management of our projects. We utilize our strengths and experience to ensure timely and on-budget delivery of our projects.

A FRESH IMAGE THAT LASTS

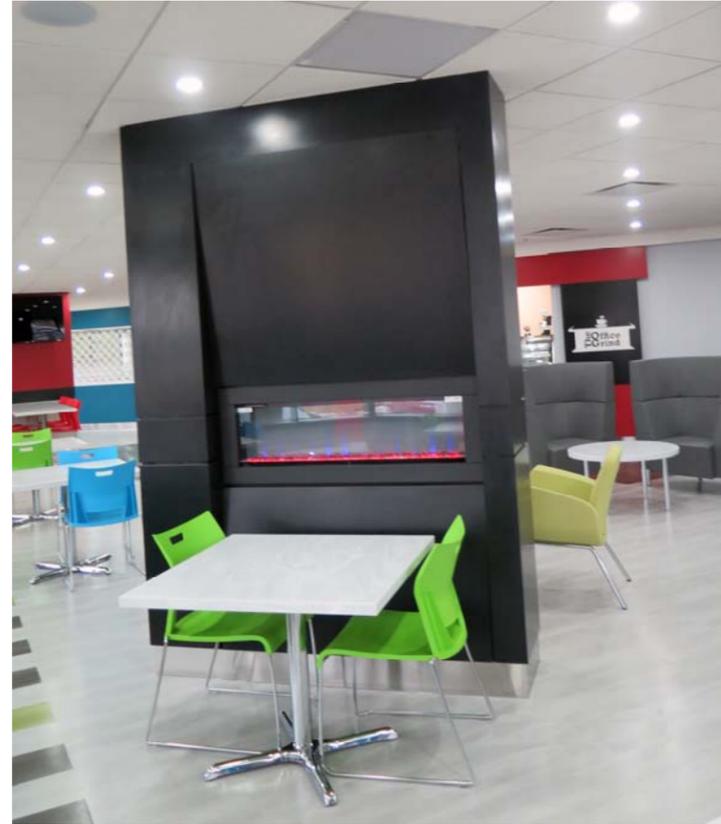

We have the skills needed to remodel facilities, providing a fresh look and image update that can contend with new competitors, as well as the full-service construction abilities for new facilities.

COST EFFECTIVE SOLUTIONS

Our construction knowledge and project management skills allow us to provide preliminary budgets, accurate cost estimates, and support in determining cost per square foot statistics.

MINIMAL DISTURBANCE

Portfolio Contracting Inc. can undertake your retail project with minimal disturbance to your patrons and employees and your overall business operation. We understand the importance of completing every project in minimal time to maximize sales for the client.

WE GO WHERE YOU GO

Portfolio Contracting Inc. not only has the manpower, but the strong team communication expertise to manage multiple site locations concurrently. Our team has extensive experience in each province across Canada.

Our team will conceptualize your commercial, industrial and institutional projects from the ground up. We will transform your needs as a client and partner into reality. We will strive to perform your projects with a deep respect for time and budget. We will ensure that your requirements are strictly adhered to, using proven methods for success.

Our team is deeply committed to the success of every project that we completed. This pursuit of excellence is apparent in our achievements and the achievements of our clients.

Our goal is to make the construction process as comfortable as possible. In doing this, we have been building partnerships and developing relationships one project at a time.
